Opt-out Form

If you want to **opt out** of pension saving, fill in the form and declaration below and give it to your employer.

What you need to know

- Your employer cannot ask you or force you to opt out.
- If you are asked or forced to opt out, you can tell The Pensions Regulator — see www.tpr.gov.uk
- If you change your mind, you may be able to opt back in — write to your employer if you want to do this.
- If you stay opted out, your employer will normally put you back into pension saving in around three years.
- If you change your job, your new employer will normally put you back into pension saving straight away.
- If you have another job, your other employer might also put you into pension saving, now or in the future. This notice only allows you to opt out of pension saving with the employer you name below. A separate notice must be filled out and given to any employer you work for, if you wish to opt out of that employer's pension saving as well.
